What is Digital Experience?

Digital Experience!® is Pepcom's annual preview of what's new at the CES® show, exclusively for the media. Like all Pepcom showcases, it's a demo event, giving key reporters a hands-on look at the new products that will be featured at the show. The event is in person in Las Vegas on the evening before the show opens, and is also broadcast live to media and influencers across the country.

When and where is it?

Digital Experience! will be held from 7:00 to 10:30 pm on Wednesday, Jan. 4, 2023 — the evening before the show opens. The event takes place at Caesars Palace in the heart of the Las Vegas Strip, and will also be livestreamed to media and influencers across the country.
